THE MECKLENBURG UP-TO-DATE HOTEL

New Hostelry at Chase City a Splendid Building.

FINE MINERAL WATER THERE

Will Be Open the Year Round, and th Healiniul Quality of the Water Will A.tract Many to Winter There. Health and Pleasure.

(Special Dispatch to The Times.) CHASE CITY, VA., December 6 .-Field Trials Association, which is to be beid on preserves in Mccklenburg county during the present week, has been dlawn to this section not more because of the abundance of game th.ougnout Mecklenburg Hotel, so recently open to the public, will afford the party attending the triais. When first the running of the inaugural stakes in Vir-

offering rest and comfort after its builders to make famous is sec i

furnishing large sun-pariors, those seeking health may bask in the warm rays, sheltered from the

meets their approval and receives their endorsement, in this connection a com-plete installation of hydriatic apparatus has been arranged, consisting of douche tanks, ice water tanks, massage tables and other fixtures, which complete the department in every detail.

WONDERFUL WATER. The company building the hotel realized the wenderful value and virtue of the Chara City mineral water, and considered that there should be some suit. able place for these going to the springs for health to find pleasant quarters and at the same time be under the care of

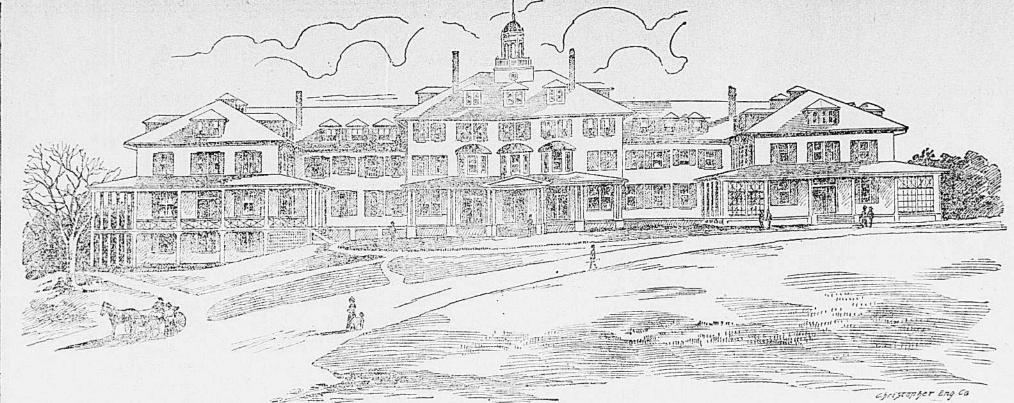

Chase City mineral water has long been from the leading physicians of the co try have for years been extelled and used by them with splendid results in a very wide range of disorders. The lithin of the Chase City springs is of rec-ognized virtue as an acid solvent. The like of the chloride calcium water is not found in this country or in Europe. It found in this country of in Europe, it furnished a unique analysis a natural blood purifier and nerve tonic, a specific

for stomach, blood and thin diseases. These waters draw to the springs each year hundreds of visitors and are already shipped in great quantities to all parts of the country. In connection with the Mecklenburg, a complete plant for properly bottling the waters in a hygicule manner has been installed and will greatly facilitate the shipping of the

well known physicians, who have com-plete charge, and under them skilled at-tendants. A certificate from the resident physicians will be necesary for ad-mission to the sanatorium, as it will be their effort to prevent the entrance of patients suffering from tubercular trou-

bler and diseases of contagious nature. The building and grounds are thoroughly sewered to a great distance from the bare from the recent building operations. are to be laid out in lawns, walks, drives and parks over one hundred and fortyfive acres of rolling ground, free from

ewemps and sluggish streams, abounding in picturesque spots. PLEASURE OF THE GUESTS. To the pleasure of their guests the management, which, by the way, is the

Stuart's Dyspepsia Tablets can be honestly claimed to be a specific, a radical lasting cure for indigestion in the various forms of acid dyspepsia or sour stomach, gas or wind on stomach, too much bile, undue fillness or pressure after enting and similar symptoms re-sulting from disordered digestion. Stuart's Dyspepsia Tablets were not

placed before the public until this three years' trial left no doubt as to their value and they have recently been placed in the trade and can be found on sale all druggists at the nominal price of 50 cents per package. No extravagant claims are made for

the remedy, it will not cure rheumatism, pneumonia, typhoid fever nor anything and that is every form of stomach trouble. No dieting is necessary, good whole, some food and plenty of it and you may rest assured that Stuart's Dyspepsia Tablets will digest it. Druggists claim in Richmond, has given much attention, and particularly in the nature of field port, affording good shooting in season.
